(VIRTUAL MODE)

Organized By

**Regional College for Education
Research & Technology, Jaipur**
(A unit of Deepshikha Group of Colleges)
and
University of Technology, Jaipur

In Association With

**Scientific and Humanities
Research Society, Jaipur**

ABOUT US

Rajasthan Technical University, Kota:

Rajasthan Technical University (RTU) is located at Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan. Currently the university is affiliated about 68 Engineering Colleges, 03 B. Arch, 16 MCA Colleges, 39 MBA Colleges, 31 M. Tech Colleges, 01 M. Arch and 01 Hotel Management and Catering Institute. More than 1.5 lacs students' study in the various institutes affiliated to the University. The University aims to provide quality technical education in the state of Rajasthan.

Regional College:

Regional College for Education Research & Technology, located at ISI-17 RIICO industrial area Sitapura Jaipur (www.regional.ac.in), is the premier institute for engineering and technical studies in Rajasthan. Though the program offered in the college is based on the syllabus of the concerned university but it is reviewed and reassembled in consultation with the industry and experts. The strong team of faculty who is known for dedication to teaching and research delivers the program.

University of Technology:

University of Technology is established by the Govt. of Rajasthan through State Legislature under the Act No 28 of 2017. It is UGC recognized University under section 2(f) of the UGC Act 1956. University of Technology is sponsored by the renowned label in the education domain, Deepshikha Kala Sansthan, Jaipur.

The University of Technology is known for offering quality education to students coming from varied backgrounds, across different learning segments and knowledge disciplines. Highly known to deliver finest of learning solutions and facilities aiming at all-round development of the students, the university commits to a wide array of courses and a vast pool of resources— ranging across the domains of Engineering and Technology, Management, Law, Science, Arts, Commerce, Education, Information Technology in a plush facility spread in 30 Acre of area.

Scientific and Humanities Research Society:

The Scientific and Humanities Research Society is dedicated to fostering excellence in both scientific and humanities research. Our society serves as a dynamic platform for scholars, researchers, scientists and

enthusiasts from diverse fields to collaborate, innovate, and share knowledge.

We aim to bridge the gap between scientific inquiry and humanistic understanding, recognizing that the most pressing challenges of our time require interdisciplinary approaches. Through a variety of initiatives, including conferences, publications, workshops, and public engagement activities. We strive to advance knowledge, promote ethical research practices, and contribute to a more informed and connected global community.

ABOUT INTERNATIONAL FDP

The International Faculty Development Program (FDP) on Ethical Issues in Research Writing aims to equip educators and researchers with a comprehensive understanding of ethical considerations in academic writing and research. This program addresses key issues related to research integrity, publication ethics, and responsible conduct in research. Participants will gain insights into best practices for ensuring ethical standards in their work and will be prepared to guide students and colleagues in maintaining high ethical standards in research.

OUTCOMES OF FDP

- Enhanced Knowledge of Research Ethics
- Improved Research Practices
- Effective Resolution of Ethical Dilemmas
- Compliance with Regulatory Standards
- Enhanced Teaching and Mentoring Skills Promotion of a Culture of Integrity
- Adaptation to Emerging Trends
- Access to Practical Tools and Resources
- Strengthened Professional Network
- Certification and Professional Development

WHO CAN ATTEND?

- **Faculty Members:** Educators who guide students in research and academic writing.
- **Researchers:** Individuals engaged in conducting and publishing research.
- **Academic Advisors:** Professionals who mentor students in research activities.
- **Members:** Individuals involved in evaluating research ethics.
- **Graduate Students:** Advanced students preparing for research careers.
- **Editors and Publishers:** Professionals involved in the publication process.

REGISTRATION FEES

RTU/BTU Affiliated Institutes - No Charge
