ABOUT US

Govt. Vivekanand PG College, Maihar:

This college was established in the year 1972 and was subsequently made a govt. college in 1986. In 1995 post graduate classes in arts, science and commerce faculty were started and proved tremendously beneficial to students. It is affiliated to APS. university, Rewa and is the preferred exam center for different university examinations. It is recognized under section 12b of UGC act and hence has been receiving developmental grants for the last 13 years. Now this is recognized as PM excellence college.

Scientific And Humanities Research Society:

The Scientific and Humanities Research Society is a leading research and educational organization that is committed to the development and dissemination of cutting-edge knowledge in science and technology. We specialize in offering high-quality training programs, workshops, conferences, FDPs and certification courses in emerging areas of technology, engineering, science and humanities etc.

As part of our ongoing mission to promote research, education and innovation in the field of sciences and technology, we provide a dynamic platform for scholars, researchers, scientists and enthusiasts from diverse fields to collaborate, innovate, and share knowledge. We are committed to conduct conferences, seminars, symposia, FDP etc. in collaboration

with reputed institutions/ universities. We aim to bridge the gap between scientific inquiry and humanistic understanding, recognizing that the most pressing challenges of our time require interdisciplinary approaches. Through a variety of initiatives, including conferences, publications, workshops, and public engagement activities. We strive to advance knowledge, promote ethical research practices, and contribute to a more informed and connected global community.

IJIRG India:

The International Journal of Innovative Research and Growth (IJIRG) is a distinguished, peer-reviewed journal that has gained international recognition since its establishment in 2015. The journal stands out for its commitment to publishing high-quality research articles that span a wide array of diverse fields, making it a vital resource for scholars and professionals across various disciplines.

IJIRG maintains rigorous editorial standards to ensure the publication of credible and impactful research. Each submission undergoes a thorough peer-review process, involving multiple expert reviewers who evaluate the manuscript's originality, methodological rigor, and contribution to the field. This process not only upholds the journal's high standards but also provides authors with constructive feedback to refine their work.

IJIRG indexed and abstracted almost in all reputed databases "CrossRef, Index Copernicus International, RPRI, SJIF, Research Gate, J-Gate, Road, WorldCat, I2OR, BASE, GENAMICS, COSMOS, CiteFactor, IP Indexing and more...."
