OBJECTIVES OF FDP

- Understand ethical principles guiding research and publication
- Identify scientific misconduct like falsification, fabrication, plagiarism
- Learn strategies to avoid redundant publications and salami slicing
- Develop skills for intellectual honesty and research integrity
- Recognize importance of publication ethics in scientific communication
- Detect predatory publishing practices and peer review ethics

EXPECTED OUTCOMES OF FDP

- Enhanced understanding of research ethics principles
- Improved ability to identify scientific misconduct
- Reduced instances of redundant publications
- Increased intellectual honesty and research integrity
- Better publication ethics practices
- Ability to detect predatory publishing practices

WHO SHOULD ATTEND?

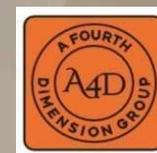

Faculty Members: Educators who guide students research and academic writing.

Researchers: Individuals engaged in conducting and publishing research.

Academic Advisors: Professionals who mentor students in research activities.

Members: Individuals involved in research and innovations.

Editors and Publishers: Professionals involved in the publication process.

JAIPUR

INTERNATIONAL FACULTY DEVELOPMENT PROGRAMME

On

Research and Publication Ethics

22nd - 27th, December, 2025

(VIRTUAL MODE)

Organized by

Scientific And Humanities
Research Society,
Jaipur, Rajasthan, India

In Association with

A Fourth Dimension Group

&

International Journal of Innovative
Research & Growth (IJIRG), India

supported by

World Trade Center Jaipur,
Rajasthan, India

ABOUT US

A Fourth Dimension Group:

A Fourth Dimension Group is a young, dynamic company based in Indore (M.P., India). Registered under Udyam Certificate: UDYAM-MP-23-0067170 based in Indore (M.P., India). We specialize in manufacturing, research & development, and technical consultancy.

Our mission is to design & develop innovative solutions that meet your business values and purpose.

Scientific And Humanities Research Society:

The Scientific and Humanities Research Society is a leading research and educational organization that is committed to the development and dissemination of cutting-edge knowledge in science and technology. We specialize in offering high-quality training programs, workshops, conferences, FDPs and certification courses in emerging areas of technology, engineering, science and humanities etc.

As part of our ongoing mission to promote research, education and innovation in the field of sciences and technology, we provide a dynamic platform for scholars, researchers, scientists and enthusiasts from diverse fields to collaborate, innovate, and share knowledge. We are committed to conduct conferences, seminars, symposia, FDP etc. in collaboration with reputed institutions/ universities. We aim to bridge the gap between scientific inquiry and humanistic understanding, recognizing that the most pressing challenges of our time require interdisciplinary approaches. Through a variety of initiatives, including conferences, publications, workshops, and public engagement activities. We strive to advance knowledge, promote ethical research practices, and contribute to a more informed and connected global community.

IJIRG India:

The International Journal of Innovative Research and Growth (IJIRG) is a distinguished, peer-reviewed journal that has gained international recognition since its establishment in 2015. The journal stands out for its commitment to publishing high-quality research articles that span a wide array of diverse fields, making it a vital resource for scholars and professionals across various disciplines.

IJIRG maintains rigorous editorial standards to ensure the publication of credible and impactful research. Each submission undergoes a thorough peer-review process, involving multiple expert reviewers who evaluate the manuscript's originality, methodological rigor, and contribution to the field. This process not only upholds the journal's high standards but also provides authors with constructive feedback to refine their work.

IJIRG indexed and abstracted almost in all reputed databases "CrossRef, Index Copernicus International, RPRI, SJIF, Research Gate, J-Gate, Road, WorldCat, I2OR, BASE, GENAMICS, COSMOS, CiteFactor, IP Indexing and more...."

World Trade Center Jaipur:

As a member of the World Trade Centers Association (WTCA) in New York, WTC Jaipur serves as a gateway to global opportunities, facilitating strategic alliances and connections. WTC Jaipur offers local businesses the opportunity to join the world's largest private business network, gaining visibility across more than 320 WTCs in over 90 cities worldwide.

Established to leverage the region's economic strengths, WTC Jaipur aims to support Rajasthan's thriving tourism sector and its local business community. The region is competitively positioned in agriculture, textiles, gems and jewelry, and traditional

industries such as marble and granite, copper, and zinc. Rajasthan is also globally renowned for its artisan skills, from jewellery making to construction materials.
